Chosen Design (merge)

- Your team only gets 3 tries to make a shot.
- Your team only gets 24 seconds for all 3 shots.
- If your team makes a shot, your team gets 2 points.

- The same layout as Capture the Flag but instead of a cone, it's a ball.
- The other team has to capture the ball on your side and then make a shot from there.
- The safe zone is here 
- You can dribble with both your hands and feet but you can only pass and make a shot with your hands.
- Violation: If you hit another player (in your team or not) with the ball on purpose.
Punishment: That player has to stay out of the game for at least one round.
- Includes 2 teams.

EQUIPMENT

- The ball is soft; not as soft as a dodgeball but not as hard as a basketball either.
- It's soft because of this violation.
