

Brief Explanation of the game:

- First of all, we set the game up by splitting the students into 2 groups, one stand on the left half the other one move to the right half of the court/field.
- The field has a basketball hoop and a football goal on the right and left ends respectively.
- Lastly, people from the left actively hunt down players from the right side, the aim for players on the right is to score the right team's goal/hoop and avoid dodge balls from the left team.
