

Ideas:

Raheel

- 1: Making an enjoyable game for all ages
- 2: Based on soccer and basket ball game

Possible weaknesses:
 game 1: Player can pass the ball at the end of the game
 game 2: might be too easy for skilled players
 game 3: a little off-topical.

Skills	Rules	equipment	details
communication and speed	1. start the timer for 10 minutes at the start of the game. 2. the player with the ball at the end will lose. 3. another group of people do the opposite.	a watch, a basket ball, a field (football), a goal.	A game where players pass their balls to other players and they will need to get the ball off your hands immediately.
communication and speed	1. players can only cross-over through hoops/rings. 2. players can't touch the rings.	1. hoola-hoops (as many as you need) 2. two basket balls (one for each team)	Try to throw your team's ball into the opponent's stand through while walking through rings.
communication and speed	1. almost all soccer rules. 2. need to complete task for teams scores to count.	cards (with tasks on them) football (to score)	football but each player must complete a task eg. read a book, swifter, before scoring.
