

Brief Explanation ^{name:} Grid Ball

Similar to basketball you should dribble the ball (basketball) on lines, then goal. 4 points win. (20 min)

golli 1

(when free kick kick instead of throw)

defender 2

(you can not walk on the grids but ball can touch)

attacker 2

(2 teams total: 10 players)

tips: 1. if throw overhead then give the ball to another team
2. in normal condition you should throw to goal

2. defender can only stay on their area

3. defender and golli cross the middle line is

4. if you step on grids (penalty)

another team will do free kick
a violation
