

A hand-drawn diagram illustrating the components of a ball. On the left, a pile of small, irregular shapes represents the 'Ball or frame fabric' with a height dimension of 3 cm. To the right of this pile is a larger, circular shape representing the 'Ball or frame' with a diameter dimension of 12 cm. A vertical dimension line on the far right indicates a height of 13 cm. A horizontal dimension line at the bottom indicates a width of 14 cm. The text 'Ball or frame fabric' is written vertically along the right side of the pile, and 'Ball or frame' is written vertically along the right side of the circle.
