Ideas

I thought of lots of ideas

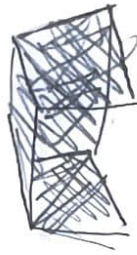

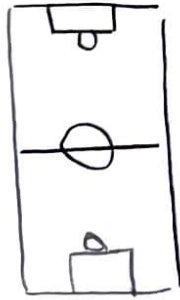

Developing Ideas

- Tag
- save (from tag)
- need to go to the other's side jail in order to get save.
- can kick and throw into the goal
- no influence on ball but can tag people

Or...

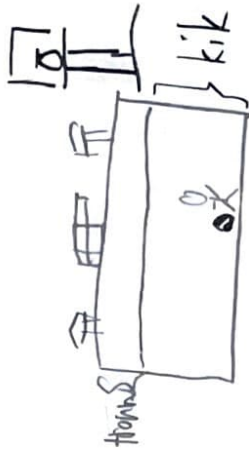

2-

goal

football field

- Kick the ball to the goal without getting caught
- middle line is the separate of sides
- if caught freeze and wait for save from teammates

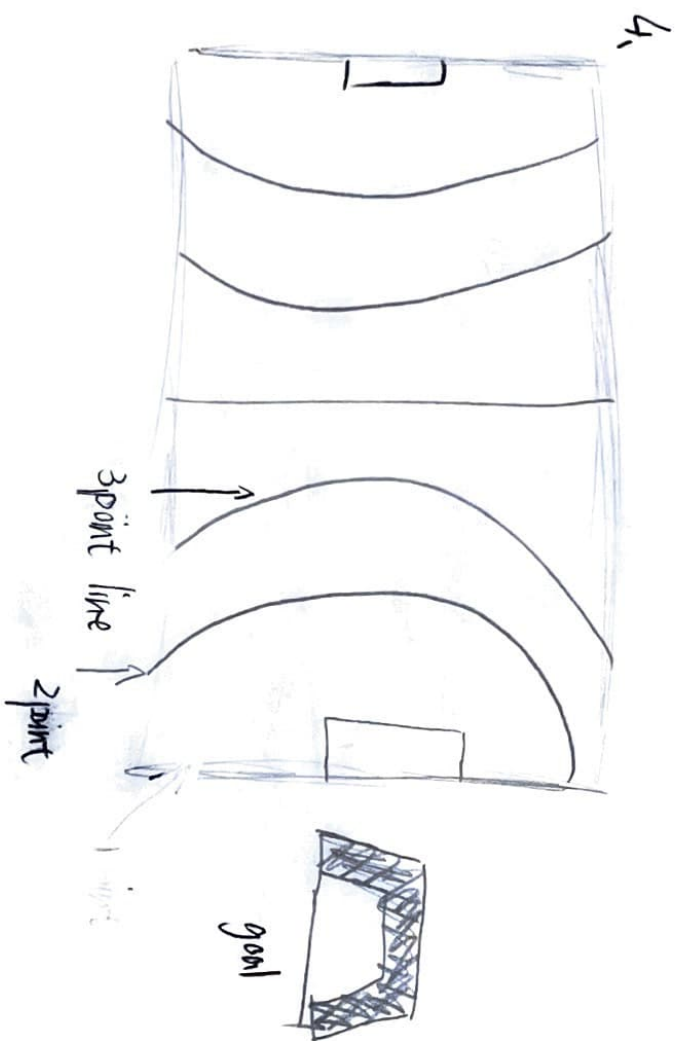

3-

• each person a ball

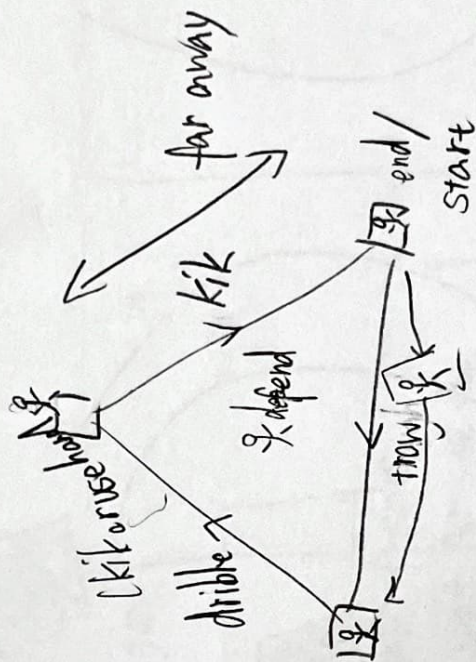

• influence others

• if ball is out of bound you're out

- kick
- there is point lines
- can't go into 2 point line
- no goalie

5.

path is to people

• under 5min

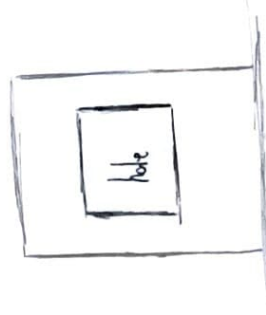

• if not under 5min then

wait aside and the other team do it

□ = save spots

MY GAME IN SPECIFIC

← jail

a board is the goal.

team 2

team 1

• If the ball is out, the other team gets it.

• If you go in jail, but don't mean to, then you go to jail.

• No one can go in jail, unless they are tagged or did something wrong.

• there can only be 6 people in the middle circle, 3 from each team.

• if the ball is completely out of bound (don't even touch the boundary) then it counts as out.

Equipment

- goal
- ball

I chose this game at last and make it more specific

Rules

- two team

• have tag in the game

• need to go to the other sides jail in order to get save.

• touch the student to catch or save.

• can kick or throw into the goal or on the way to the goal.

• Can not influence on the ball, but can tag people to get it

- no goalie

Skills

- Kick
- throw
- shot

Creating the Solution

Rules:-

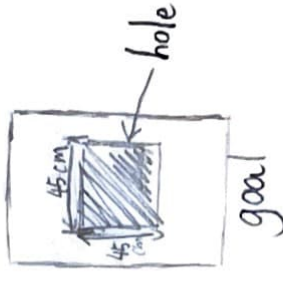

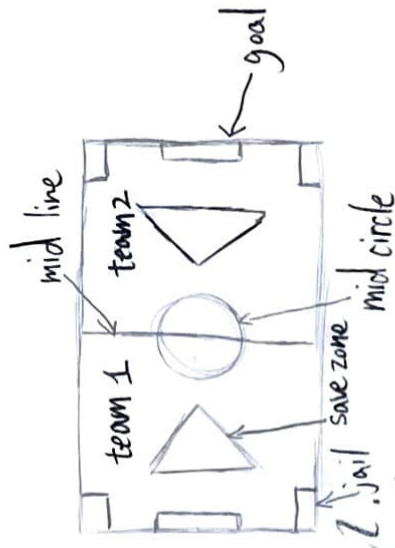

- 2 teams
- have tag in the game
- need to go to the other sides' jail in order to get save.
- have safe zone, triangle
- touch the student to catch or save.
- Can kick or throw into the goal or on the way to the goal, but can tag people to get it.
- Cannot influence on the ball, but can tag people to get it.
- no goalie.
- If the ball is out, the other team gets it.
- If you go in jail, but don't mean to then you go jail.
- No one can go to jail, unless they are tagged or did something wrong.
- There can only be 6 people in the middle circle, 3 from each team.
- If the ball is completely out of bounds (don't even touch the boundary), it counts as out.

Equipment :-

- goal (board)
- court
- ball

Skills :-

- score (shoot)

Our team choose this game as the group game and change some parts.

These are the materials we need

Materials:

- the field is the soccer field.
- the goal is a hoola-hoop tied on the sides of the soccer goal.
- the safe zone is represented with cones at the corners of the triangle.
- the jail is the same as capture the flag.
- a board for paper (Judge.)

- measuring tape

rope & scissors

Evaluation

Conclusion of the game:

From the data and the question that I asked to others, I can see that the students don't really like the hoop as the goal ,and I think I can make a difference by making the hoop stop moving and make it easier for people to defend and shoot .a lot of people like the tagging part of it and I am pretty happy with it.
